## Office and commercial fit-outs

Commercial work is judged on whether the business opened when it said it would. The programme is set backwards from your date and reviewed weekly against it.

- ◆ Workstations and cabins with cable management
- ◆ Reception desks, waiting areas and brand walls
- ◆ Conference rooms with acoustic treatment and AV coordination
- ◆ Glazed, gypsum and acoustic partition systems
- ◆ Commercial-grade laminates and heavier hardware throughout
- ◆ Phased handover so part of the business can keep operating

### Every design has a code

Note the reference codes you like — OFF-001, OFF-014 — and send them to us. We adapt the design to your own room dimensions and quote it line by line.

## How it works

From the code on a page in this catalogue to a finished room, under one supervisor. The consultation, the site measurement and the first design presentation are free.
